Do makes a request to also become Tsunades student. Temen is definitely infuriated by the truth that she has been still left out of the mission, and everyone states farewell to Naruto, who will be able to head off for his two-and-a-half years of training with Jiraiya (who returned with information about Akatsuki plans).

If you are using an AdBlock, you probably won't be able to view in HD and occasionally you will get mistakes like No video with backed file format and MIME type found.
